## BEK Youth Friday nights

I would first like to wish all of our families a very happy Easter!

During the Easter holidays, we encouraged the youth to spend time with their families and to attend their local church services. Many had plans to go away and therefore we decided to take a break but look forward to starting up again on Friday 21<sup>st</sup> April at Burntisland Parish Halls. Please feel free to invite any young people in P4 – P7.

A reminder that we meet in Burntisland Parish Halls every Friday except for the first Friday of every month where we meet at Kinghorn Parish Halls.

Please feel free to join us every Friday from 18:00 – 20:00.

## Rugby

After lots of prayer, I have been blessed with the opportunity to run a rugby programme within Burntisland Primary School for the P6 and P7s during school time. This consists of three classes per year group on a Tuesday and Thursday respectively. This programme kicked off, pun intended, on Tuesday 18 April. I was further encouraged when two of our current youth group ladies came running to greet me. This is a huge answer to prayer and allows me the opportunity to build relationships with these young people.

I continue to run the rugby programme within Kinghorn Primary School after hours on a Tuesday. This is voluntary and the group continues to grow.

### SU Group

I have started an SU group in Kinghorn Primary. This is going well and seems to be gaining momentum. Once the kids experience the group they seem to enjoy it so I am hoping that numbers will pick up here by word of mouth.

### Pulse Youth Group

I am excited to launch our new Teen Youth Group called Pulse on Sunday 23<sup>rd</sup> April at Burntisland Parish Halls from 17:00 till 19:00. This is open to anyone from S1 till S6. Please spread the word.

### Community building

I have visited and met some of the families at Kinghorn toddlers group as well as the Burntisland group in order to build relationships with families of all ages. As a church, we have noticed that one of the storage rooms are in need of repair and painting and we would like to spruce it up for these young families. If there is anyone wanting to assist with cleaning and painting of this room, please give me a shout.

I have also been connecting with parents and grandparents at the Drift in, Cornerstone Café as well as at Café Church.

For those who allow me, I have started doing some home visits just to spend time getting to know the family unit as a whole.

### Walk thru the Bible

I have completed my training as a Walk thru the Bible facilitator and I will be at Torbain Primary School to lead my first sessions on Wednesdays from the 3 – 31 May.

### Preaching Opportunities

I was blessed with the opportunity to share part of the Easter message at Kinghorn Primary School. This was a positive experience and a few of the children recognised me from the youth group, rugby programme as well as the SU group. I even received one of my family visit invitations after this assembly.

### Dates to diarise

I look forward to seeing all of you at the Kinghorn Gala service on the 4 June at Kinghorn Church by the sea at 10:30am as well as the joint BEK service on 28 May. All are welcome to attend these services.

For those wanting to see me in person feel free to get hold of me. I have a rota to participate regularly in all age talks and children's activities at all three churches. It is through these opportunities as well as those like Chilled Church where I get to meet young people and families in all three venues.
