Summer feedback

As the BEK worker, I had a very busy summer holiday as we ran many programs from Movie Marathons to Holiday clubs. I also participated in the SU Camps that lasted 7 days. I took part in all activities as well as lead worship and a talk. It was awesome spending time with some amazing kids and really looking forward to see what God has got in store for all of us in this BEK Partnership. We also rebooted the Lite Bite sessions at Erskine on Wednesdays and we look forward to seeing it grow. Many thanks to all of our volunteers who continue to assist and serve our young families. I can't run any of these ministries without volunteers.
